tickets

**Can you design the logo and branding
for Headstock - Nottinghamshire's
newest festival?**

**To be held on the former pit site soon to be
developed as Newstead & Annesley Country
Park**

**(which will run as a charity to support the local
community).**

**Newstead Village currently hosts Treefest
(www.treefest.co.uk) one of the countries
largest and most successful free community
festivals. We would like to retain the
environmental, open, family, alternative feel in
our new paid music event**

HEADSTOCK - 11th Sept 2010

**The festival will include: main stage, local
soundsystems, café bar – with live & recorded**
