Apologies: Jill Knight Dave Fox Inspector Nolan

Welcome and introductions:-

Pat Harvey began the meeting by firstly thanking everyone for attending and apologised to everyone for having to wait outside in the rain until 8.45pm before being let into the Community Centre.

Matters Arising:-

Policing:-

Please keep reporting any incident as no crimes have been reported in the Newstead area the January month, if there are no crimes reported we are going to lose all our Police Officers and we will only have ourselves to blame.

Sign Post:-

The post and sign have been erected for the second time due to vandalism, could I please ask all residents and children to keep an eye on the sign as children are trying to get the sign off the pole and as it was a project by the pupils if the school it needs looking after.

Smart Water:-

It has been reported that a number of Smart Water packs have been acquired for Newstead and will be allocated as needed. Some people in Turton Court have Smart Water so they should be able to have signs put up on Webb Street. This is being seen to.

Flying Skip:-

The cheque for the Flying Skip has now been paid for
We are still waiting for the invoice from Gedling Borough Council.

Rubbish:-

Still need to check with Denise about barbed wire and rubbish near Youth Club.
Jill was to contact the Trustee's of the Welfare and they were going to investigate.

Grit Bins:-

Pat has been in touch with Joe Lonergan who hopefully will help us in this fight. We still need everyone who has had an accident in the bad weather to please report it to Nott's Highways on 0115 9773377. The Parish Council is also taking up this fight. A lone grit lorry came to grit on the roads round the outskirts of the village this helped a lot coming in and out of the village as there are only 2 roads in and out.

Play Area:-

Darren Gilder reported that the toddlers play area is cleaned every day and a safety check carried out every 6 months.

Neighbourhood Watch:-

I have received a e:mail from Tony Morris Chairman of Nott's Neighbourhood Watch who is still waiting to hear from people who at the last meeting said they were interested in starting a neighbourhood watch in their area. This I have passed on the Dave and Jill.

Date time and venue of next meeting:-

Wednesday 18th March 2009 at 7.45pm NMWCC.

PLEASE NOTE NEW TIME
