Patricia Andrews	Borough Councillor
Chris Shaw	PCSO
Sarah Atkinson	PCSO
Kevin Samuels	
Diane Walters	
Heather Cowie	
Sharon Chadwick	

Apologies: Jill Knight

Welcome and introductions:-

Pat Harvey opened the meeting by thanking everyone for attending and carried on the meeting until Dave Fox joined us and he then chaired the meeting.

Matters Arising:-

The minutes from the May meeting were agreed.

Policing:-

A member of the public asked for our help in trying to get something done about the youths congregating between the Chip Shop and Post Office. Cars are coming with big speakers in the boots and playing very loud music until the early hours of the morning, bottles deliberately smashed against the Post Office walls and drugs being sold. The police are called but with the early warning system in place all is quiet when they get there. The PCSO attended with PC. Matt Wardle, car registration plates were noted. We gave the telephone number of the Environmental Health Officer and with the help of the Police hope that this will disperse the youths. Anyone else who is kept awake at night or has their daily lives interrupted by any kind of antisocial behaviour or any crime and want to stay anonymous please phone **CRIMESTOPPERS FREE ON 0800555111**

Smartwater:-

The Smartwater has been delivered to everyone on the NRA list. Chris Shaw PCSO will be able to get hold of signs to be located around the village. Hopefully people will get involved with the Neighbourhood Watch scheme and we would also be able to get signs for this.

Rubbish:-

A pool table has been dumped at the back of the Youth Club. Pat will ring Darren Gilder about this. The Parish Council have also reported this matter.

Raves:-

By our next meeting Darren will have attended a meeting with the Police and other bodies about the Raves held on Forestry Land between the dual carriage and Hucknall Road. We should know the results at the next meeting.

Access to Shop:-

Waiting Jill's answers as with free access to computers.

Funding:-

We are hoping to get David Jayne to one of our future meetings to help with funding. Pat will e:mail.

Treefest:-

This now has its own web site www.treefest.co.uk

Venue, Date & Time of Next Meeting:-

Wednesday 15th July 7.0pm at the Community Centre – All Welcome
